COMMITTEES OF PMA ARRANGE FARM MEETINGS

Committeemen from the six Production and Marketing Administration districts in the county met Wednesday at the PMA office on North Washington street to set up a schedule for meetings of the 1,650 farmers taking advantage of the cash practices program of the PMA last year.

Also scheduled to attend the meetings are all farmers who may plan to take advantage of any part of the 1950 program of the PMA.

The committeemen expect the meetings to be well attended. At the sessions they will have the papers filled out by the 1,650 farmers last year. The papers will be checked with the farmers to determine how many of the scheduled practices were carried out. The papers will then be forwarded to the state PMA office and the farmer will receive his check for the work he carried out.

Change In Procedure

Previously the committeemen visited the various farms, checked the papers, outlined the next year's program and filled out forms for the farmers. This year there is no money available for the visits by the committee and as a result the series of meetings to which the farmers may go were arranged.

Farmers in Cumberland, Straban and Mt. Joy townships can call at the PMA office on North Washington street on December 13, 14, 20, 23, 27 and 28 between 9 a. m. and 4 p. m.

There the committee members, John W. Black, Gettysburg R. 3, chairman; Howard Schwartz, Littlestown R. 1; Russell Spangler, Gettysburg R. 4; Paul A. Leger, Littlestown R. 1, and Clyde R. Spangler, Gettysburg R. 4, will go over the papers and make arrangements for the farmers to get their last year's checks and sign for next year's program.

Township Schedules

Freedom, Hamiltonton, Liberty and Highland township farmers will have four meetings with, as holds true for every township, the farmers having the right to attend any one of the meetings. The sessions in-

MANY HUNTERS REPORT KILLS

Three of five members of a deer-hunting party who journeyed to Reno this week returned Wednesday evening with deer. Cloyd W. Miller, Gettysburg R. 5, shot a six-point buck and Earl Chrisler, Gettysburg R. 5, and Dr. Robert Lefever, Gettysburg, each four-pointer. Vincent Orndoff, Bonneauville, and Joseph Orndoff, Gettysburg, were also in the party.

Those remaining up-state to continue hunting were John Spangler, Gettysburg R. D; Donald and "Moe" Spangler, near Caishoton; James Sharrah, McKnightstown, and Frank Raffensperger, Caishoton. Additional deer kills reported today were as follows: Fred Shaffer, near Orrtanna, a five-pointer Monday while hunting in the Mt. Hope section; Martin Melhorn, Orrtanna, four-point, Monday at 7:15 a. m. on Mary's hill, near Orrtanna; Kenneth Sites, Fairfield, eight-point, weighing 155 pounds, Wednesday at 8:30 a. m. on McKee's hill, near Fairfield; Frank Zinn, New Oxford R. 1, a five-point, Monday at 10 a. m. in Cumberland county.

Hanging Of Greens Next Week At "Y"

Final arrangements were made by the committee for the Hanging of the Greens program to be held next Thursday evening at the Y.W.C.A., at 7:45 o'clock. Members of the board, Business and Professional Women's club, Annie Danner club and the Y-teens will take part in the ceremony. The meeting is open to the public.

The committee making the arrangements includes Miss Ruth Doud, executive director; Mrs. Amanda Myers, Mrs. J. A. Alexis, Mrs. Henrietta Blocher, Mrs. Charles Lawyer, Miss Oma Furney, Mrs. Frederic Gries, Miss Mary Dutton, and Miss Rosea Armor.

Russell Bowser, Fairfield R. 1, shot an eight-point buck weighing 105 pounds Monday morning along the Cold Springs road, near Fairfield.

BIRTH ANNOUNCEMENTS

Sons were born at the Warner Hospital Wednesday afternoon to Mr. and Mrs. Juan Gonzalez, 301 Hanover street, and Mr. and Mrs. Robert Shrader, New Oxford. Luke L. Horst, Reading, will be in charge of both services. The public is invited to attend.

Special Rites At Mummasburg Church

Evangelistic services will be held at the Mummasburg Mennonite church Sunday evenings, December 4 and 11, at 7:30 o'clock.

Luke L. Horst, Reading, will be in charge of both services. The public is invited to attend.

HUNTER OPERATED UPON

Harry Biesecker, Caishoton, was reported as recovering satisfactorily today at the Coudersport hospital following an emergency operation for the removal of his appendix on Wednesday morning. Biesecker was a member of a deer-hunting group who went to that area last Sunday.

NEW BROWNIES ARE INVESTED, FLY-UPS HELD

Approximately 200 were present Wednesday evening in the POS of a hall, Littlestown, for the "Fly Up" and investiture ceremonies of the Littlestown Brownie Girl Scouts.

The program opened with the color ceremony with Shirley Bixler as color bearer and Suzanne Harner and Mary Harner as aides. These girls are members of Troop No. 39.

Following the pledge to the flag, the group sang, "America" with Mrs. Arline Krumrine, a Brownie troop committee member, as accompanist.

Bette Reaver, the first Brownie in the local troop to go through the complete Brownie course, was the announcer. Mrs. Carl Baumgardner, troop committee chairman welcomed those present and told "The Brownie Story."

The following members of the newly organized Brownie troop No. 28 were invested by their leader, Mrs. Leonard Kerchner: Sally Reigle, Judy Blocher, Jean Sentz, Louise Groft, Jean Thomas, Judy Myers, Ruby Myers, Marietta Weikert, Shirley Chronister, Carole Baumgardner, Judy Lippy, Dorothy Louise Krumrine.

Shows Camp Film

Luther W. Ritter, program consultant, showed a Girl Scout film, "World Friendship." The film was an on-the-scene documentary of an international encampment participated in by more than 100 Girl Guides and Girl Scouts from Canada, Brazil and the United States.

The occasion that brought them together was the 12th conference of the World Association of Girl Guides and Girl Scouts, which was attended by leading women delegates from Guide and Scout nations throughout the world. The International camp was run in conjunction with the conference.

Mrs. A. C. Richards, Jr., leader of Brownie Troop No. 34, presented pendants to those girls who have been in scout work the entire past year. They are: Troop No. 16, Eleanor Harner, Frances Miller, Peggy Miller, Wanda Pettyjohn, Bette Reaver, Mary Ritter, Geraldine Roberts, Judy Ruggles and Sandra Shadel.

Troop No. 34: Gloria Burgoon, Janet, Joyce and Judith Breighner, Faye Daley, Mary Gail Gouker, Jean Krout, Julie Ann Kammerer, Janet (Please Turn to Page 7)

Mrs. Stoner Elected As Scout Registrar

Mrs. D. C. Stoner was chosen as registrar for the Adams county Girl Scout organization Wednesday evening at a county scout council meeting at the home of Mrs. George Miller, Carlisle street. Twelve members attended with the president, Mrs. J. Walter Coleman, presiding.

Mrs. Marvin Smith, wife of a Gettysburg college student, was elected part-time secretary to fill a staff vacancy.

Miss Marion Tupper, county scout executive, reported on the Girl Scout convention she recently attended at Milwaukee along with 100 other representatives of Region 3. She said 6,100 men and women attended the convention at which it was announced 150,000 clothing kits have been sent abroad by the Girl Scout organization.

The amount is based on reports made by about five townships.

Heckenluber said, adding that judging by present reports the county should be able to send more than a carload of food to Europe and Asia through CROP when the campaign ends.

His announcement meant that the strike which began at midnight was partially called off less than 11 hours later although the soft coal miners won't actually return to work until Monday.

It also meant that Lewis was abandoning his drive for nationwide contracts in favor of agreements with individual companies.

Hear Some Grumbling

And it meant that the men who

dig the coal will work part time, at

least, during the Christmas season.

Some grumbling had been reported

from the ranks at the prospect of

idleness with the holidays coming

on.

The township foremen will leave the their solicitors at the Arentsville National bank where the money will be placed to

the account of the county organization.

Roy Tate is treasurer for the

county drive for those who would

prefer to leave the money with the

treasurer, Heckenluber noted.

The council will meet again in

December. On Wednesday evening

Mrs. Richard Lighter gave the sec-

retary's report and Mrs. Raymond Unks reported as treasurer.

NEW STRIKE BY MINERS LOOMS FOR MIDNIGHT

New York, Nov. 30 (AP)—The nation was threatened with a new coal strike at midnight tonight, and only a last minute move by John L. Lewis' United Mine Workers policy committee seemed likely to avert the operators' strike.

Lewis abandoned his old-time policy of "no contract no work" when the miners' agreement with the operators expired last June 30.

A short work week and a 52-day strike were interrupted on Nov. 9 by Lewis' order to go back to work. The truce order was issued after a meeting of the policy committee in Chicago Nov. 9.

No Explanations

The United Mine Workers chief sent word Monday and again yesterday that he would prefer to have his followers mark time while he tried to forge a new contract out of the very cool negotiations which have occupied the soft coal operators and union officials for months.

Lewis offered no explanation for postponing the meetings. But he apparently decided yesterday that another 24-hour postponement was justified, as direct talks with major coal operators were reported in the making.

Lewis was reported to have held an important conference with Harry M. Moses, president of the H. C. of their three-week truce, expiring

The policy committee had been directed by Lewis to meet here Monday, but at the last minute the session was postponed until yesterday, and then again until today. Lewis was busy elsewhere.

STATE SPENDING HITS NEW HIGH FOR BIENNIAL

Harrisburg, Nov. 30 (AP)—A record smashing 1½ billion dollars was spent by the commonwealth in the two years ending last May 31.

Auditor General Weldon B. Heyburn released a new table of income and expenses which emphasized the rising cost of state government between the last biennium and those ending in 1947 and 1948.

Health and welfare expenses led the increases with a steady rise in the past six years. Not including public assistance, the state paid out \$12,643,074 for those purposes in 1947-48 as compared with \$87,572,129 in 1945-47 and \$67,586,109 in 1943-1944.

Profit On Liquor

Public assistance, another giant welfare item jumped from \$129,749,340 for 1943-1945 to \$232,145,360 for 1947-1949.

Education costs soared from \$156,340,132 in 1943-1945 to \$257,132,460

Frick Coke Co., principal negotiator for "Big Steel" mining operations. The steel company vigorously denied that Moses had met with Lewis.

Should a walkout occur again, most union officers believe it would include all of the mine workers across the nation—the anthracite diggers in eastern Pennsylvania and the soft coal miners west of the Mississippi as well as the bituminous coal miners who were idle east of the Mississippi for the 52 days up to Nov. 9.

in 1947-1949 and highways, from \$109,055,110 to \$305,559,917.

The report showed that welfare and highways were the commonwealth's largest expense items in the past two years.

Some \$304,846,479 went to supply stock for the state liquor stores but the sale of that liquor, plus the 10 per cent state liquor tax, brought in \$419,228,608.

Other Side of Ledger

The motor license fund received \$275,666,995 from gasoline taxes, motor license fees and federal highway aid and paid out \$306,023,417 in expenditures for construction and maintenance of highways, salaries and other operations of the Highway Department. Interest and sinking fund requirements and aeronautical allocations.

The Department of Public Instruction put out \$257,122,465 in aid to public schools, salaries and other expenses.

The other side of the ledger saw \$497,473,615 coming in from taxes including levies on corporations, cigarettes, beer, inheritances, soft drinks and gross receipts of public utilities.

More Income Items

Federal grants totaling \$88,631,459 came in for assistance, school lunches, rehabilitation and education, airports and similar programs.

Other income in the 1947-49 biennium included \$51,992,594 from bond issues, \$24,349,888 from tuition at state-owned colleges, refund of assistance payments and premiums received from out-of-state casualty insurance companies on policies signed in Pennsylvania, \$18,015,305 from municipalities for maintenance of inmates in state-owned institutions, \$10,559,662 from license fees plus another \$7,532,913 from fishing and hunting licenses, \$5,101,390 in interest on investments and rentals of lands and forests.

The Columbia River, forming the boundary between Washington and Oregon, is believed to carry more water than all other American Pacific Coast streams combined.

REFERS PEACE TO REGULATED WAR IN FUTURE

By DEWITT MACKENZIE

(AP Foreign Affairs Analyst)
The Anglican Archbishop of York, England, Dr. Cyril F. Garbett, advocates that America and Britain take the lead in calling on the nations of the world to pledge immediate and collective vengeance against any country using the atomic bomb.

Well, if first you don't succeed, try, try again. That atomic idea is one in which the harassed United Nations has been struggling ineffectually for a long time. Whether United States and Britain would have any better luck is open to large question, but it probably wouldn't do my harm for them to try fresh tactics.

Even more challenging is Dr. Garbett's idea that the Western democracies should agree they never will use the atomic bomb against an enemy unless it has been used against them first. This seems to me the peace-minded democracies in a nasty spot-like the crack-of-dawn duelist who holds his fire until his opponent has taken a pot shot at him. It is heroic but it's arry sportsmanship rather far.

Let's Outlaw War
Anyway, it strikes me that the place to start is with the outlawing of war altogether, which is the objective of the United Nations.

Outlaw the fearsome atomic bomb all means. But at the same time outlaw all other weapons. Outlaw war altogether.

Have you seen any of the European cities which were destroyed by bombing during the last war?

Little Real Choice
A lot of them were virtually reduced to rubble. Untold numbers of people were killed or injured in these bombardments. Thousands fled into the countryside without food or adequate clothing.

All that was done with high explosive, either by bombing or gunfire. No atomic bombs were used. Instead of quick destruction and death, there was the agony of day and night bombing over a long period.

The same thing, on a smaller scale, was true in World War I.

So which will you have—an atomic bomb, an ordinary high explosive bomb, or a high explosive shell from a big gun? Or maybe you would

close out Monday.

Cart Before The Horse
The purpose of war is to knock out your enemy in the quickest way possible under the current international laws governing conflict with arms. The quicker you knock him out, the less the bloodshed and suffering on both sides. The use of atomic bombs on Japan undoubtedly shortened the war and saved the lives of thousands of American fighting men-thousands of Japanese, for that matter.

It strikes me that it's rather putting the cart before the horse to argue about what sort of weapons shall be used once war is started. What we want is a really united peace organization which can keep war from getting under way.

Let's have peace—not regulated war.

Pay Increases For 2,000 Bus Workers

Cleveland, Dec. 1 (AP)—Pennsylvania Greyhound Lines announced today 2,000 of its employees in 13 states will be granted wage increases under a new two-year contract.

Terms of the pact with the AFL-Street, Electric Railway and Motor Coach employees will not be released until union locals have explained the agreement to members, the company said. The contract is subject to ratification by the members.

Union negotiators left the city following the agreement last night and could not be reached.

The employees affected work in Ohio, Indiana, Michigan, Illinois, Missouri, Kentucky, West Virginia, Pennsylvania, New York, New Jersey, Delaware, Maryland, Virginia and the District of Columbia.

BULLETS WIN 50-48 IN LAST MINUTE RALLY

Forced to the limit by a scrappy and promising Elizabethtown college basketball team, the Gettysburg college cagers were forced to come from behind in the last minute of play to eke out a 50-48 win here Wednesday evening in inaugurating the new season before a capacity crowd.

Trailing 48-45 with a minute and a half remaining, Hank Belber netted a side shot. Harry Pure landed a long heave to put the Bullets ahead 49-48 with 55 seconds remaining. The Bullets then took to freezing the ball and in the wild scramble for possession of the leather in the remaining seconds Belber was fouled and landed the free toss with but 10 seconds remaining.

The Bullets were way off form in their shooting and time and again missed comparatively easy shots. Elizabethtown's fast moving zone defense forced the Bream-men to resort to long shots in which Belber and Bob O'Brien proved effective.

Gettysburg got off to a good start on Belber's long toss. Foster netted a foul and Belber added another long heave. A foul by Ed Brunner and over-head toss by the same lad tied the count at 4-4 after three and a half minutes. Midway in the period the Bullet attack began to click and goals by Pure, Bucky Harris, O'Brien and Belber gave the locals an 18-8 lead at the quarter.

The visitors came back strong on a pair of free throws by Ed Brunner and a side shot by John Brunner and from then on it was a nip and tuck affair with the Bullets holding a slight advantage. At half time the score stood at 22-19 with the Bream-men in front.

Several times in the third period Elizabethtown pulled to within a point of Gettysburg but each time the Bullets rallied to protect their margin. At the end of the third quarter the score was 35-34.

Finally with six minutes of play elapsed in the final round Elizabethtown tied the score at 44-44 on a one-handed heave by Hess. Pure netted a foul and with three minutes remaining Elizabethtown took its first lead of the evening on a short toss by Hess. A long throw by John Brunner made the count 48-45 and then the Bullets put on their thrilling finish to pull the game from the fire.

Bucky Harris was an efficient performer beneath the basket while O'Brien landed four goals in the fourth period until eliminated by fouls.

Foster and Schneidler played outstanding games for the visitors.

Meet Cornell Next

On Saturday the Bullets journey to Ithaca, N. Y., to engage Cornell. Next Wednesday Mt. St. Mary's will be met here.

Pennsylvania Leads On All-America 11

New York, Dec. 1 (P)—Three of the players named today to the Associated Press 1949 All-America Football team are Pennsylvanians.

Texas, with two local boys selected, was the only other state to boast more than one member of the mythical eleven.

The Pennsylvanians named are Leon Hart, Notre Dame end who lives in Turtle Creek; Arnold Galiffa of Donora, Army's T-formation quarterback, and John (Bull) Schweder of Bethlehem, University of Pennsylvania guard.

3 NOTRE DAME STARS PUT ON ALL AMERICA

Notre Dame, generally conceded to be the nation's top ranking football team, placed three players on the All-America team announced today by the Associated Press. Oklahoma, Army and California, also unbeaten this year, each placed one man.

The selections for the first team are as follows:

Ends, Hart, Notre Dame, and Williams, Rice; tackles, Martin, Notre Dame, and Wade Walker, Oklahoma; Guards, Franz, California, and Schweder, Penn; center, Tonnemacher, Minnesota; backs, Gauffin, Army; Doak Walker, Southern Methodist; Justice, North Carolina, and Sitko, Notre Dame.

Second Team

Ends, Isom, Baylor, and Sherrod, Tennessee; tackles, Cain, Kentucky, Krouse, Maryland; guards, Mason, Michigan State, and West, Oklahoma; center, Castagnoli, Stanford; backs, Ortman, Michigan; Celere, California; Chollet, Cornell, and Williams, Notre Dame.

Third Team

Ends, Rowe, Dartmouth, and Wilson, Wisconsin; tackles, Wister, Michigan, and Allen, Duke; guards, Lininger, Ohio State, and Barkauske, Pitt; center, Sterling, Santa Clara; backs, Zastrow, Navy; Price, Tulane; Papit, Virginia, and Karras, Illinois.

The two repeaters from the 1948 team are Doak Walker and Charlie Justice. This year marks the third straight year that Walker has been chosen to the All-America.

Honorable mentions from Pennsylvania include the following: End, Wetilaufa, Penn; tackle, Sandusky, Villanova; backs, Cecconi, Pitt; Passariello, Villanova; Robinson, Pitt; Rogell, Penn State; Romanki, Villanova, and Deuber, Penn.

COCHRANE AND MILLER JOIN MACK'S STAFF

By ORLO ROBERTSON

Philadelphia, Dec. 1 (P)—It'll be like old home week around Shibe Park next spring with Mickey Cochrane, Jimmy Dykes and Bing Miller whooping it up as they did in the Philadelphia Athletics' championship days 20 years ago.

The triumvirate was completed yesterday when the Athletics announced the signing of Cochrane and Miller as coaches to replace the dismissed Al Simmons and Earl Brucker. Dykes was with the club last season as coach.

The signing of Miller, for the last eight years coach of the Chicago White Sox, was expected. But the signing of Cochrane came as a complete surprise to the several score sports writers to whom the announcement was made.

Cochrane has been out of the major league picture since August, 1938, when he was released as manager of the Detroit Tigers after winning two American league pennants and one world championship in five years.

Connie Mack, Jr., youngest of Connie Mack's three sons, had no more than announced. Cochrane's return to the A's before rumors started flying as to the direction of the club when the 86-year-old Mack retires as manager.

The Grand Old Man of Baseball is expected to step down after next season—his 50th at the helm of the Athletics. He has said several times that his second son, Earle, will become manager.

But there were many who saw in the signing of Cochrane an eventual change in either the club's front office or field setup.

The rise of the Athletics in the '20s began with the acquisition of Cochrane, who owns a niche in Baseball's Hall of Fame at Cooperstown, N. Y. Black Mike joined the A's in 1925 and remained the club's catcher until sold to Detroit during the 1933-34 winter for \$120,000 with the proviso he be made manager of the Tigers.

Miller, a resident of Philadelphia, will observe his 30th year in the American league next season. He first came up with Washington in 1921, a year before appearing with the A's.

Schedules Revealed

The boys will play on Tuesdays and Fridays while the girls will take to the floor on Mondays and Thursdays. The boys' schedule is:

Mount Grid Star Leaves College

Emmitsburg, Dec. 1 (P)—Walt Belardini, backfield star the past two seasons on Mount St. Mary's football team, has quit college, Coach John Law has announced.

Belardini, from Bethel, Conn., came to Mount St. Mary's last football season after leaving Notre Dame. He became an immediate high school sensation, scoring 10 touchdowns to lead individual scorers in Maryland.

Belardini is the fourth gridiron to quit at Mount St. Mary's this year.

The Pennsylvania Interscholastic Athletic Association adopted a new policy that no member school may undertake contests more than 300 miles away from home without first getting permission from the National Federation of State High School Athletic Associations.

The federation, parent organization of the PIAA, recently invoked the new rule on bids for a southern bowl game received by DuBois high western conference titlist, and Steelton, co-champion of the Central Penn League.

"A flock of invitations" came north from the Jackson Miss., Chamber of Commerce, including those to DuBois and Steelton, said Edmund Wicht, PIAA executive secretary.

The bids said the north-side game would be played against an outstanding southern high school. Both Pennsylvania schools rejected the invitation at the instance of the PIAA and National Federation.

The federation said its action came after a disclosure that the game would be privately promoted.

"It is to be remembered for all PIAA member schools, that free reign, once obtained for promotional ventures of this kind, will develop into avenues or rampage on a high school's program that evidently are to be avoided and prohibited from ever beginning to develop," the PIAA said in its publication, "The Pathlete."

Just about all post-season scholastic football games played now in Pennsylvania are playoffs for conference titles. Unbeaten teams in the WPIAL meet for its three division championships and the northern and southern division winners tangle for the eastern conference crown.

The latter takes place Saturday at Minersville as the battling Miners meet Old Forge's Blue Devils, northern winners.

McKeepsport was the last Pennsylvania team to play in a southern bowl game when the Tigers met Miami High at Miami, Fla., in 1947.

Virtually all Pennsylvania public high schools are members of the PIAA with the exception of those in Philadelphia.

BULLETS WIN 50-48 IN LAST MINUTE RALLY

Forced to the "limit by a scrappy and promising Elizabethtown college basketball team, the Gettysburg college cagers were forced to come from behind in the last minute of play to eke out a 50-48 win here Wednesday evening in inaugurating the new season before a capacity crowd.

Trailing 48-45 with a minute and a half remaining, Hank Belber netted a side shot. Harry Pure landed a long heave to put the Bullets ahead 49-48 with 55 seconds remaining. The Bullets then took to freezing the ball and in the wild scramble for possession of the leather in the remaining seconds Belber was fouled and landed the free toss with but 10 seconds remaining.

The Bullets were way off form in their shooting and time and again missed comparatively easy shots. Elizabethtown's fast moving zone defense forced the Bream-men to resort to long shots in which Belber and Bob O'Brien proved effective.

Gettysburg got off to a good start on Belber's long toss. Foster netted a foul and Belber added another long heave. A foul by Ed Brunner and over-head toss by the same had tied the count at 4-4 after three and a half minutes. Midway in the period the Bullet attack began to click and goals by Pure, Bucky Harris, O'Brien and Belber gave the locals an 18-8 lead at the quarter.

The visitors came back strong on a pair of free throws by Ed Brunner and a side shot by John Brunner and from then on it was a nip and tuck affair with the Bullets holding a slight advantage. At half time the score stood at 22-19 with the Bream-men in front.

Several times in the third period Elizabethtown pulled to within a point of Gettysburg but each time the Bullets rallied to protect their margin. At the end of the third quarter the score was 35-34.

Finally with six minutes of play elapsed in the final round Elizabethtown tied the score at 44-44 on a one-handed heave by Hess. Pure netted a foul and with three minutes remaining Elizabethtown took its first lead of the evening on a short toss by Hess. A long throw by John Brunner made the count 48-45 and then the Bullets put on their thrilling finish to pull the game from the fire.

Bucky Harris was an efficient performer beneath the baskets while O'Brien landed four goals in the fourth period until eliminated by fouls.

Foster and Schneider played outstanding games for the visitors.

DON NEWCOMBE AND ROY SIEVERS ARE TOP ROOKIES

New York, Dec. 1 (P)—Roy Sievers, slugging outfielder of the St. Louis Browns, and Don Newcombe, fireballing ace of the Brooklyn pitching staff, have been named the outstanding baseball rookies of the major leagues for 1949.

Sievers was chosen the top freshman in the American league and Newcombe the top rookie in the National in the annual poll of the Baseball Writers Association of America.

This is the first year the writers chose rookie standouts for the two leagues. In the past they have picked one for the entire majors, shortstop Alvin Dark of the Boston Braves winning last year and second baseman Jackie Robinson of Brooklyn the year before.

Newcombe, who won 17 and lost eight for the National league champion Dodgers, was an almost unanimous pick of the 24-man senior league panel.

Coach Gene Haas and JV Coach Charles Goodling start the season with a moderate number of players that haven't played enough ball in their new and spacious gymnasium to become accustomed as yet to the wide open space that it affords. Last year's season was marked by a change-over from the cramped quarters of the old gym to the new—a change that called for striking revisions in tactics and maneuvering. This season the Biglerville cagers will be doing most of their practice sessions in the Aredtsville gym while the boys occupy the Musselman Memorial gym.

REFERS PEACE TO REGULATED WAR IN FUTURE

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

The Anglican Archbishop of York (England), Dr. Cyril F. Garbett, advocates that America and Britain

lead in calling on the nations of the world to pledge immediate and collective vengeance against any country using the atomic bomb.

Well, if you don't succeed, try again. That would be the idea in which the harassed United Nations has been struggling indefinitely for a long time. Whether

United States and Britain would

have any better luck is open to large question, but it probably wouldn't do any harm for them to try fresh tactics.

Even more challenging is Dr. Garbett's idea that the Western democracies should agree they never will

use the atomic bomb against any country unless it has been used

against them first. This seems to

be the peace-minded democracies

in a nasty spot—like the crack-of-

gun duelist who holds his fire until

his opponent has taken a pot

at him. It is heroic but it's

tryng sportsmanship rather far.

Let's Outlaw War

Anyway, it strikes me that the

time to start is with the outlawing

war altogether, which is the ob-

jective of the United Nations.

Outlaw the fearsome atomic bomb

all means. But at the same time

outlaw all other weapons. Outlaw

altogether.

Have you seen any of the European

countries which were destroyed by

bombing during the last war?

Little Real Choice

A lot of them were virtually re-

duced to rubble. Untold numbers of

people were killed or injured in these

embardments. Thousands fled into

the countryside without food or

adequate clothing.

All that was done with high ex-

plosive, either by bombing or gun-

ship. No atomic bombs were used

instead of quick destruction and

reduction, there was the agony of day

and night bombing over a long

period.

The same thing, on a smaller

scale, was true in World War I.

So which will you have—an atomic

bomb, an ordinary high explosive

bomb, or a high explosive shell from

a big gun? Or maybe you would

ever gas.

Cart Before The Horse

The purpose of war is to knock

out your enemy in the quickest way

possible under the current interna-

tional laws governing conflict with

other nations. The quicker you knock him

out, the less the bloodshed and suf-

fering on both sides. The use of

atomic bombs on Japan undoubtedly

lengthened the war and saved the

lives of thousands of American

fighting men—thousands of Jap-

anese, for that matter.

It strikes me that it's rather put-

ting the cart before the horse

about what sort of weapons

will all be used once war is started.

But we want is a really united

peace organization which can keep

war from getting under way.

Let's have peace—not regulated

war.

Elks Honor 9 Deceased Here

Sunday: Commanding the Elks lodge for pausing each year to honor its departed members, the Rev. Edward H. Jones praised the organization for its principles of charity, justice, brotherly love and fidelity, at the annual memorial service of Gettysburg lodge, 1045, Benevolent and Protective Order of Elks, at the Majestic theatre Sunday afternoon.

Attorney W. Clarence Sheely eulogized the nine members of the lodge who died since last December. On the list of Departed Elks were George W. Reichle, D. A. Washington, Dr. Walter H. O'Neil, Dr. Maurice S. Weaver, J. I. Mumper, J. Frank Hartman, Dr. J. P. Dalbey, George W. Schwartz and William H. Tipton. Joseph E. Codori, exalted ruler, presided. Musical Numbers included vocal selections by Miss Marie Codori, Mrs. Roy E. Zinn, and the Arentsville male quartet, comprising E. A. Rice, Amos D. Sheely, R. R. Criswell, and George Boyer. Miss Ethel Culp presided at the organ.

New Shoe Store Will Open Here: John A. and R. F. Kepner, of Harrisburg, will open a shoe store in the room formerly occupied by Eckert's shoe store, center square, Mark Eckert, owner of the building, announced Monday.

Local Couple Wed 25 Years: Dr. and Mrs. H. M. Hartman, Springs avenue, observed their twenty-fifth wedding anniversary on Saturday. On Thursday evening Dr. and Mrs. Hartman entertained twenty-four guests at dinner at the Richard McAllister hotel, Hanover, in honor of their wedding anniversary.

Countians Married: Miss Helen Ann Crum, Biglerville, and John Lewis Bowling, Gettysburg, were married Saturday morning in the parsonage of Centenary Methodist Episcopal church, Westminster, by the Rev. Edward Hayes.

Two Couples Joined in Wedlock: Bruce J. Coover, Chambersburg, and Miss Viola M. Gleim, Gettysburg, were united in marriage Saturday, November 23, at the Church of God parsonage, Hanover, by the Rev. F. P. Brose. The young couple will make their home in Harrisburg.

Sease—Sheppard: Miss Ethel M. Sheppard and Charles W. Sease, both of Gettysburg, were married in Westminster Monday. The ceremony was performed in the parsonage of St. Paul's Reformed church.

Glatfelter Opens Monday: Glatfelter, historic recitation and administration building at Gettysburg College, will be reopened Monday, December 2, after the huge red brick structure had been remodeled and made fireproof at a cost of \$100,000.

Bullets Annihilate Franklin and Marshall 25 to 0 Turkey Day: With a stiff November wind whistling across Williamson field, at Lancaster, whipping the breasts of 15,000 enthusiastic football fans, the Bream-coached tribe of Orange and Blue bullets, inspired to a high pitch of fighting strength by their desire to capture their third consecutive championship, unmercifully laced the highly-touted Franklin and Marshall Possums 25 to 0.

Rated the underdogs and deprived of the services of their captain, Eddie Gulian, and their backfield ace, "Streak" McMillan, who is in the Warner hospital with a leg infection, the Men of Bream galloped into the fray, determined to overcome the margin of advantage against them.

The ferocious charging of the forward wall of the Gettysburgians sliced huge holes in the Possum line through which Anglemyer, McCloy, Snyder, and Koontz dashed for consistent gains.

Maroons Whip Lebanon Clan: After being held to a scoreless tie for three quarters of the game, Gettysburg high school's powerful grid machine rose in its might in the final period to shove over a pair of touchdowns and defeat Leba-

Today's Talk

By GEORGE MATTHEW ADAMS
HUCKLEBERRY FINN

My comments about worthwhile books, in these daily talks, have extended over a period of thirty-two years. Now each week I am going to write one of these talks about some book—any book—that may have given me great joy. It may have been written fifty, a hundred, a thousand or more years ago, or just come off the press. But it won't be a criticism. I am no book critic—just a lover of books.

This talk is about a book by Mark Twain—the world famous one—"Huckleberry Finn." The finest tribute to this book ever written, so far as I know, recently appeared in "A Mencken Chrestomathy," published by Knopf, New York. It is called "Credo," and this is what Mencken says: "I believe that 'Huckleberry Finn' is one of the great masterpieces of the world, that it is the full equal of 'Don Quixote' and 'Robinson Crusoe,' that it is vastly better than 'Gil Blas,' 'Tristam Shandy,' 'Nicholas Nickleby' or 'Tom Jones.' I believe that he (Mark Twain) was the true father of our national literature, the first genuine American artist of the blood royal."

No higher tribute could be paid to this book. And justly so. I have just read it again, and it fascinated me from beginning to end. Written over fifty years ago, its stature is a great classic remains. It has everything—style, romance, adventure, pathos, tragedy, movement, atmosphere, and human appeal.

I read few "first sellers," but a great many best sellers. "Huckleberry Finn" is in the latter class. It will live. Reading "Huckleberry Finn" in late life, as I did (I was not allowed to read such books in my youth) makes one take note of youth, renewing its memories, sympathizing with its dreams and enthusiasms, and overlooking all its faults. It's the kind of reading that lights up the soul!

Tomorrow Mr. Adams will talk on the subject: "A Person's Self."

Just Folks

MIDDLE-AGE LOVER

For years a bachelor he'd stayed, Seeming of womenfolk afraid, Whether a matron or a maid.

"It could not be," he'd often said, "That I'm a man some girl would wed. Prepare my meals and make my bed."

"Although I'm sure it must be bliss, The joy of marriage I must miss: A face like mine no girl would kiss."

At middle age—I mention that To show that he is growing fat, Has lost the hair beneath his hat—

He met a most entrancing belle Who knew the art of Cupid well, And for her lovely charms, he fell!

Though handsome looks and hair have gone, In love with her, he carries on As he'd have done at twenty-one!

CONGRESSMEN THINK THOMAS SHOULD RESIGN

Washington, Dec. 1 (AP)—Fellow House members said today Rep. J. Parnell Thomas (R-N.J.) ought to resign now that he is going to be sentenced on charges of cheating the government on his payroll.

People on Capitol Hill who know Thomas well expect him to do just that.

Thomas faces up to 32 years in jail and a \$40,000 fine. This is the result of his backing down completely and suddenly in his fight against charges he operated a salary kick-back scheme with three women he put on the Congressional pay list.

He changed his plea yesterday from "not guilty" to what the lawyers call "nolo contendere." That meant he wouldn't contest the government's charges.

Sentence December 9

Federal Judge Alexander Holtzoff ordered him to come back a week from tomorrow for the sentencing. That wound up a swift, two and a half day trial.

In it, the government contended thousands of dollars were paid out for work that never was done. This money, it claimed, turned up in Thomas' bank account. Furthermore, the government produced testimony that Thomas kept relatives on the payroll who did no work—one of them a 71-year-old bedridden woman.

Thomas doesn't have to resign, even if he goes to jail. If he doesn't, the House could expel him. Thomas still has a year to go on his seventh term.

The few House members now in town agree that Thomas ought to hand in his resignation.

"I should think he would have to resign," Rep. Wickerham (D-Okl.) told a reporter. "That would be best. I think all the other members would feel that way."

"Absolutely he should resign," said Rep. Blatnik (D-Minn.). "It would make it very embarrassing for the House if he didn't. I certainly would resign if I were in his place."

Thomas Non-Commital

Another member who didn't want his name used had the same idea. In addition, he remarked:

"The House certainly couldn't keep on its membership list anyone who has been sentenced as a criminal."

A Republican member, who also asked that his name not be used, said: "If it were myself, I would resign immediately."

Thomas himself was saying nothing, except that he was going home to Allendale, N.J., and come back next week. The Attorney General of New Jersey ruled yesterday that if a vacancy occurs in the post now held by Thomas, it is the duty of Gov. Alfred

THOUSANDS SAY CERTA-VIN WORKS INCHES OF BLOAT OUT OF UPSET STOMACHS

Great Compound Has Astounding Action on Swollen, Gassy Stomach Organs and Supplies Body With Essential Vitamin B and Iron.

At the present time the sale of Certa-Vin, here in the City of Gettysburg and general section, stands at the highest point in ITS HISTORY! Leading druggists are amazed at this immense demand and say that nothing like it has ever been seen here before. However, this great sale is all due to one thing, that is, the astounding action of this remarkable medicine upon the stomach. It is the great relief it brings which causes crowds to flock in for Certa-Vin wherever it is introduced.

AWFUL BLOATING

For instance, consider the amazing action of Certa-Vin in cases of gassy stomach. This is a condition that afflicts thousands. And it is a horrible condition, as any of its poor victims will tell you! Many people are so bad off they can't go to the finest restaurants and eat a meal — can't even eat the most wholesome of home-cooked food! — without being in misery afterward. They bloat and swell until they can hardly breathe. Then they feel like they are about to burst! Sometimes this terrible "water brash" rises into throat and mouth like a regular fountain. So bitter it almost causes STRANGULATION. Awful gas pains come in stomach and chest. The abdomen sometimes feels sore CONSTANTLY from continual gas and bloat pressure. And all night long this misery continues, so sleep is next to impossible. Some poor sufferers feel like they are about to smother every time they lie down in bed to try to sleep. They have to rise up to get their breath back. Others have such awful gas pains in chest they can't lie on EITHER SIDE. So all night long they suffer.

AMAZING RELIEF

Truthfully it can be said, as it has been said so often: "No greater misery hath any man than he with an upset stomach!" And that is why so many people are praising CERTA-VIN. This "Amazing New Medicine" is helping thousands of sufferers such as we have described above. It helps ward off awful gas and bloat out of you, reducing your gas-swollen waistline—often by inches!—in a few

Pa. Has Substitute For Socialized Care

Bethlehem, Pa., Dec. 1 (P)—Pennsylvania's program of aid to medical schools and hospitals coupled with free care of the poor provides a good substitute for socialized medicine, says William S. Livedoog, Jr., state secretary of Internal Affairs.

Livengood, who has announced his candidacy for the Republican gubernatorial nomination next year, spoke last night at the 100th anniversary dinner of the Northampton county Medical society.

"From our earliest days," he said, "our state has appropriated millions of dollars for colleges, clinics and hospitals, for the making of better physicians, and for the free care of the poor in need of medical attention."

"Socialized medicine stems from Hitler and the Russian dictatorships," Livengood added. "It is ruining the medical profession and degrading medical practice in England."

It is the great relief it brings which causes crowds to flock in for Certa-Vin wherever it is introduced.

AWFUL BLOATING

For instance, consider the amazing action of Certa-Vin in cases of gassy stomach. This is a condition that afflicts thousands. And it is a horrible condition, as any of its poor victims will tell you! Many people are so bad off they can't go to the finest restaurant and eat meal—can't even eat the most wholesome of home-cooked food!—without being in misery afterward. They bloat and swell until they can HARDLY BREATHE. Heart palpitates wildly from gas pressure. They belch up a horrible sour substance, known as "water brash." Sometimes this terrible "water brash" rises into throat and mouth like a regular fountain. So bitter it almost causes STRANGULATION. Awful gas pains come in stomach and chest. The abdomen sometimes feels sore CONSTANTLY from continual gas and bloat pressure. And all night long this misery continues, so sleep is next to impossible. Some poor sufferers feel like they are about to smother every time they lie down in bed to try to sleep. They have to rise up to get their breath back. Others have such awful gas pains in chest they can't lie on EITHER SIDE. So all night long they suffer.

AMAZING RELIEF

Truthfully it can be said, as it has been said so often: "No greater misery hath any man than he with an upset stomach!" And that is why so many people are praising CERTA-VIN. This "Amazing New Medicine" is helping thousands of sufferers such as we have described above. It helps work that awful gas and bloat out of you, reducing your gas-swollen waistline—often by inches!—in a few days' time! (Read actual statements accompanying this announcement.) Then your awful gas pains, breathless smothering, wild heart palpitation from gas are relieved. You can sleep! You can eat! You can begin to feel like SOME OTHER PERSON!

Pa. Has Substitute For Socialized Care

Bethlehem, Pa., Dec. 1 (P)—Pennsylvania's program of aid to medical schools and hospitals coupled with free care of the poor provides a good substitute for socialized medicine, says William S. Livedoog, Jr., state secretary of Internal Affairs.

Livedoog, who has announced his candidacy for the Republican gubernatorial nomination next year, spoke last night at the 100th anniversary dinner of the Northampton county Medical society.

"From our earliest days," he said, "our state has appropriated millions of dollars for colleges, clinics and hospitals, for the making of better physicians, and for the free care of the poor in need of medical attention."

"Socialized medicine stems from Hitler and the Russian dictatorship," Livedoog added. "It is ruining the medical profession and degrading medical practice in England."

Elks Honor 9 Deceased Here

Sunday: Commanding the Elks lodge for pausing each year to honor its departed members, the Rev. Edward H. Jones praised the organization for its principles of charity, justice, brotherly love and fidelity, at the annual memorial service of Gettysburg lodge, 1045, Benevolent and Protective Order of Elks, at the Majestic theatre Sunday afternoon.

Attorney W. Clarence Sheely eulogized the nine members of the lodge who died since last December. On the list of Departed Elks were George W. Rechle, D. A. Washinger, Dr. Walter H. O'Neil, Dr. Maurice S. Weaver, J. I. Mumper, J. Frank Hartman, Dr. J. P. Dalby, George W. Schwartz and William H. Tipton.

Joseph E. Codori, exalted ruler, presided. Musical Numbers included vocal selections by Miss Marie Codori, Mrs. Roy E. Zinn, and the Arentsville male quartet, comprising E. A. Rice, Amos D. Sheely, R. R. Criswell, and George Boyer. Miss Ethel Culp presided at the organ.

New Shoe Store Will Open Here: John A. and R. F. Kepner, of Harrisburg, will open a shoe store in the room formerly occupied by Eckert's shoe store, center square, Mark Eckert, owner of the building, announced Monday.

Local Couple Wed 25 Years: Dr. and Mrs. H. M. Hartman, Springs avenue, observed their twenty-fifth wedding anniversary on Saturday. On Thursday evening Dr. and Mrs. Hartman entertained twenty-four guests at dinner at the Richard McAllister hotel, Hanover, in honor of their wedding anniversary.

COUNTIANS MARRIED: Miss Helen Ann Crum, Biglerville, and John Lewis Bowling, Gettysburg, were married Saturday morning in the parsonage of Centenary Methodist Episcopal church, Westminster, by the Rev. Edward Hayes.

Two Couples Joined in Wedlock: Bruce J. Coover, Chambersburg, and Miss Viola M. Gleim, Gettysburg, were united in marriage Saturday, November 23, at the Church of God parsonage, Hanover, by the Rev. F. P. Brose. The young couple will make their home in Harrisburg.

Sease—Sheppard: Miss Ethel M. Sheppard and Charles W. Sease, both of Gettysburg, were married in Westminster Monday. The ceremony was performed in the parsonage of St. Paul's Reformed church.

Bullets Annihilate Franklin and Marshall 25 to 0 Turkey Day: With a stiff November wind whistling across Williamson field, at Lancaster whipping the breasts of 15,000 enthusiastic football fans, the Beam-coached tribe of Orange and Blue bullets, inspired to a high pitch of fighting strength by their desire to capture their third consecutive championship, unmercifully lashed the highly-outfitted Franklin and Marshall Possums 25 to 0.

Raved the undergrads and deplored the services of their captain, Eddie Guhan, and their backfield ace, "Streak" McMillan, who is in the Warner hospital with a leg infection. The Men of Beam escaped into the fray, determined to overcome the margin of advantage against them.

The ferocious charging of the forward wall of the Gettysburgians slashed huge holes in the Possum line through which Anglemeyer, McCloy, Snyder, and Koontz dashed for consistent gains.

Today's Talk

By GEORGE MATTHEW ADAMS
HUCKLEBERRY FINN

My comments about worthwhile books, in these daily talks, have extended over a period of thirty-two years. Now each week I am going to write one of these talks about some book—any book—that may have given me great joy. It may have been written fifty, a hundred, a thousand or more years ago, or just come off the press. But it won't be a criticism. I am no book critic—just a lover of books.

This talk is about a book by Mark Twain—a world famous one—"Huckleberry Finn." The finest tribute to this book ever written, so far as I know, recently appeared in "A Mencken Chrestomathy," published by Knopf, New York. It is called "Credo," and this is what Mencken says: "I believe that 'Huckleberry Finn' is one of the great masterpieces of the world, that is the full equal of 'Don Quixote' and 'Robinson Crusoe,' that it is vastly better than 'Gil Blas,' 'Tristram Shandy,' 'Nicholas Nickleby' or 'Tom Jones.' I believe that he (Mark Twain) was the true father of our national literature, the first genuine American artist of the blood royal."

No higher tribute could be paid to this book. And just so, I have just read it again, and it fascinated me from beginning to end. Written over fifty years ago, its stature as a great classic remains. It has everything—style, romance, adventure, pathos, tragedy, movement, atmosphere, and human appeal.

I read few "first sellers," but a great many best sellers. "Huckleberry Finn" is in the latter class. It will be read so long as there is adventure in the veins of a boy, or grown man as well. In this book, as well as in so many others by Mark Twain, he got down to the elements and wrote honestly, discarding falsities. That is why his books live. That is why "Huckleberry Finn" will live.

Reading "Huckleberry Finn" in late life, as I did (I was not allowed to read such books in my youth), makes one take note of youth, renewing its memories, sympathizing with its dreams and enthusiasms, and overlooking all its faults. It's the kind of reading that lights up the soul!

Tomorrow Mr. Adams will talk on the subject: "A Person's Self."

Seeming of womenfolk afraid,
Whether a matron or a maid.

"It could not be," he'd often said,
"That I'm a man some girl would wed,
Prepare my meals and make my bed."

"Although I'm sure it must be bliss,
A joy of marriage I must miss;
A face like mine no girl would kiss."

At middle age—I mention that
To show that he is growing fat,
Has lost the hair beneath his hat—

He met a most enchanting belle
Who knew the art of Cupid well,
And for her lovely charms, he fell!

Though handsome looks and hair
have gone,
In love with her, he carries on
As he'd have done at twenty-one!

The big Maroon line, led by Dave Reaser, gave one of its rosiest displays. "Baldy" Weikert and Dick Smith gave good performances in the backfield, the former reeling off the longest run of the day in the third quarter, running 40 yards after receiving a punt. Kitzmuller hurried passes with his same deadly accuracy while Fiscal failed to get going, although he made several nice gains.

ITALY NORMAL DESPITE REDS' STRIKE CALL

Rome, Dec. 1 (P)—Italy's Communists suffered a humiliating defeat today in their attempt to paralyze this nation in a 24-hour general strike.

Seven hours after the strike started at 6 a.m. (midnight, EST) its effects were scarcely felt. It was much more of a failure than a similar one-day general strike in France last Friday and the second flop in a month for the Communist-led General Confederation of Labor (CGIL).

SAYS SECURITY IS GETTING TOO MUCH EMPHASIS

New York, Dec. 1 (P) — Gen. Dwight D. Eisenhower, addressing a group of Scottish-Americans, said last night that too much emphasis is being placed on personal security at the expense of individual liberty.

The Columbia university president endorsed the doctrine of Thomas Jefferson that the best government is the one which governs least.

"As we face our problems today and consider their nature," he said, "we measure the severity of those problems with the degree that we have drifted away from the simple principles with which we began."

"We can recognize the degree we have changed when the definition of a liberal is a man in Washington who wants to play the Almighty with our money."

The White Crosses

Addressing 1,100 members and guests of the St. Andrew's society of New York state at its 193rd annual banquet, Eisenhower commented on the characteristic thrift

over Thanksgiving Day.

Gen. Muench, U. S. Army, spent a ten day furlough at the home of his parents, Mr. and Mrs. Walter Muench of Emmitsburg, R. D. He returned on Saturday to Fort Benning, Ga., after being formerly stationed at Fort Knox, Ky.

Mr. and Mrs. Raymond Etherage and daughter, Kathleen, of Baltimore, visited with Mrs. Ernest Wetzel of Saint Anthony's over the holidays.

Mr. and Mrs. Rugi Rerbert and family of Fairfield, Mr. and Mrs. Daniel Lind and family of Ladiesburg, and Mr. and Mrs. George Sanders and family of Emmitsburg were guests of Mr. and Mrs. George Ling and independence of the Scots. Then he said:

"We seek an illusory thing called security. I wonder how many Scotsmen had the word 'security' in their adventures" during their fight for freedom.

Speaking of the many white crosses he has seen in different parts of the world, he said: "The men under those crosses were there because they believed there was something more than merely assuring themselves that they weren't going to be hungry at the age of 67. They believed that man should carve his own future for himself and his family, economically and every other way."

Mr. and Mrs. Charles J. Ecken-

rode and son, Charles, Jr., visited on Friday with Mr and Mrs. Charles E. Eckenrode and with Miss Alice Kelly and Lewis Kelly.

Mr. Edgar Stanbury, Towson, visited with friends in town on Friday.

Joseph Burdner, New York city, has returned home after being the guest of his parents, Mr. and Mrs. Robert Burdner, East Main street.

Mr. and Mrs. Henry Charlton, West Main street, visited recently with relatives in Baltimore.

Peter F. Burkett has returned home from a visit with his sisters, Mrs. Sanders and Kate M. Reuter, Baltimore.

Mr. and Mrs. Charles Fuss entertained the following guests at a turkey dinner on Thanksgiving Day: Mrs. Carrie Long, Mr. and Mrs. John Fuss, Mrs. Mary Fuss, Mr. and Mrs. Elmer Fuss, Miss Emmanuel Fuss, Miss Emma Ohler, Mr. and Mrs. Wayne Cragg, Mr. and Mrs. Maurice Fuss, Edward Clingan, Johnny, Lloyd, Meade and Robert Fuss and Carl Cragg.

Mr. and Mrs. John Moriarity, Winchester, Mass., and friends from Albany, N. Y., visited on Saturday with Mrs. Moriarity's father and brother, Harry E. Weant and Frank W. Weant.

Sgt. George Brown, Fort Eustis, Va., spent the Thanksgiving holidays with Mrs. Brown and family

on Federal Hill.

Miss Marie Topper entertained about 25 guests at a Thanksgiving party on Friday evening.

Accompanied by Father O'Brien, eight students of St. Joseph's high school attended the regional meeting of the Conference of Christian Doctrine held in Baltimore recently. Under the patronage of the Arch-

bishops and Bishops of the Province of Baltimore, the delegates were ex-

tended the hospitality of Baltimore by the Most Rev. Archbishop Francis P. Keough, D.D. Meetings were held at Seton high school, Calvert Hall high school and the Lord Baltimore hotel. Students who attended were Patricia Fitzgerald, Peggy Wachter, Loretta Boyle, Marianne

Sanders, James Kelly, George Susan Margaret and Sheila Marie, Greco, John Walter and William Myers.

Mr. and Mrs. Francis Bentz of Creagerstown, Mr. and Mrs. Na-

thaniel Bentz and family of Rocky Ridge, Jacob Bentz and James Bentz of Emmitsburg, and James Smith of Sabillasville, were entertained at the home of Mr. and Mrs. John Bentz of Saint Anthony's on Sunday.

Mr. and Mrs. Bernard Seltzer, son, Bernard, Jr., and daughters, over the holidays.

Emmitsburg

Emmitsburg—Dinner guests at the home of Mr. and Mrs. Donald Topper on Thanksgiving Day were Mrs. William Topper and sons Earl, Ralph and Clair.

Mr. and Mrs. Raymond Etherage and daughter, Kathleen, of Baltimore, visited with Mrs. Ernest Wetzel of Saint Anthony's over the weekend.

Mr. and Mrs. Rugli Herbert and family of Fairfield, Mr. and Mrs. Daniel Lind and family of Ladiesburg, and Mr. and Mrs. George Sanders and family of Emmitsburg were guests of Mr. and Mrs. George Lungu and independence of the Scots. Then he said:

"We seek an illusory thing called security. I wonder how many Scotsmen had the word 'security' in their vocabulary when they first have drifted away from the simple truth with which we began."

"We can recognize the degree we have changed when the definition of a Scot is a man in Washington who wants to play the Almighty with our money."

The White Crosses

Addressing 1,100 members and guests of the St. Andrew's Society of New York state at its 193rd annual banquet, Eisenhower commented on the characteristic thief-

over Thanksgiving Day.

Gene Muench, U. S. Army, spent a ten day furlough at the home of his parents, Mr. and Mrs. A. W. Muench of Emmitsburg. R. D. He returned on Saturday to Fort Benning, Ga., after being formerly stationed at Fort Knox, Ky.

Students of Saint Joseph's high school were honored with a visit on Monday morning, from the Rev. Father Jose F. L. Tirio, C.M., now stationed in Los Angeles. He was accompanied by Father Michael J. O'Brien, C.M. Leaving his native Spain he was sent to Lima, Peru, where he labored for over ten years. From Peru, Father Tirio was sent to Los Angeles where he was assistant in a parish for Mexican people living in the United States. At present Father Tirio is visiting at the Mother house of the Priests of the Congregation of the Mission in Philadelphia.

Mr. and Mrs. Thomas Norris of Indianapolis, Ind., have announced the birth of a daughter on November 25. Mr. Norris is a student at the Lincoln College of Chiropractic.

Mrs. Norris is the former Miss Harriet Stinson, daughter of Dr. and Mrs. O. H. Stinson.

Mrs. Andrew T. Mason and daughter visited recently with the former's brother-in-law and sister, Mr. and Mrs. Austin Joy.

Mr. and Mrs. Charles J. Eckens

STALIN-TITO FIASCO GIVES PEACE A JOLT

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

World peace has received another jolt as the result of the Soviet cominform's call to Communists in all countries to join in a wholesale effort to unseat rebellious Marshal Tito of Yugoslavia.

The cominform—successor to the comintern, or general staff for world revolution—hasn't disclosed details of its program. However, foreign diplomatic quarters in New York say they have received reports that an anti-Tito coup is planned for sometime between Christmas and Easter.

This scheme is said to call for a revolt in Yugoslavia. That would be followed up by a call from the leaders of the rebellion for help from orthodox Communists in neighboring Hungary and Romania.

SITUATION PACKS DYNAMITE

The crossing of guerrilla troops from a foreign country into Yugo-

slavia obviously would create a terribly explosive situation.

British Minister of State Hector McNeil gave the cominform move a hot shot in the United Nations Assembly yesterday—the first time, by the way, the subject has been brought up in that body. He was discussing the recent Soviet peace-speeches and remarked that the cominform attack was "most remarkable" for a peace campaign, adding:

"It is more like a war manifesto than a peace manifesto."

Be that as it may, Moscow's anxiety over Titoism is understandable. It is a great threat against orthodox Communism, which provides that all Red countries surrender their sovereignty to Moscow. Tito, of course, while subscribing to Marxian Communism, is a red-hot Nationalist who refuses to surrender Yugoslavia's sovereignty to anybody.

Red Propaganda

The cominform charges that the Yugoslav capital of Belgrade has become the nerve center of a counter-revolutionary movement against Red countries, as well as a center of American espionage and anti-Communist propaganda. In short Russia claims that Tito is trying to destroy the Soviet conception and

49ERS ABANDON STRIKE PLANS; TO PLAY YANKS

San Francisco, Dec. 1 (AP)—The San Francisco 49ers pro football squad called off a threatened strike today.

A team spokesman said the 32 players decided their obligation to fans who want to see them play the New York Yankees here Sunday was more important than their demand for a \$500 bonus per player for the game. Sunday's affair is semi-final playoff in the All-American conference.

"We therefore have decided to enter next Sunday's contest with a most determined will to win. We still feel our principle involved in requesting remuneration for next Sunday's game was most fair and sound, since all of us were under the impression at the time we signed our 1949 contracts that compensation for this game would be forthcoming."

FANS COME FIRST

The squad of 32 went into a huddle last night. They came out of it at midnight with the announcement there would be no strike. Their spokesman handed out a statement saying:

"It is the unanimous decision of the team that our first and most important loyalty is to the fans who have supported us so loyally. We feel the same obligation to the coaching staff."

"The x x x business principle which brought about the difference x x x is secondary in the hearts of the team as compared to our obligation to our fans."

"We therefore have decided to enter next Sunday's contest with a most determined will to win. We still feel our principle involved in requesting remuneration for next Sunday's game was most fair and sound, since all of us were under the impression at the time we signed our 1949 contracts that compensation for this game would be forthcoming."

Meanwhile, police superintendent

FREE SUSPECTS IN MURDER CASE

Pittsburgh, Dec. 1 (AP)—Pittsburgh police admittedly are stumped in their search for the attacker who killed pretty 38-year old Jean Brusco.

Two men, both arrested out of town, were released on questioning yesterday.

One of the men was picked up at Pottsville for questioning, the other at Somerset. Both said they lived in Pittsburgh, and police said both could prove they were not in Pittsburgh's Shadyside district when Miss Brusco was killed last Friday night.

More than 1,000 persons attended her funeral yesterday. Additional hundreds watched the funeral procession to Calvary cemetery.

Meanwhile, police superintendent

Harvey Scott moved at top speed to reassign his force. He's seeking to get as many night beatmen on duty as possible.

Scott said if city council approves Mayor David Lawrence's plan to add 100 men to the force in 1950 most of the 100 will be assigned to night beat patrols.

Philadelphia, Dec. 1 (AP)—The three Methodist conferences selected as a "proving ground" for an "experiment in evangelism" today reported a gain of nearly 3,000 new members. Bishop Fred D. Corson, of the Philadelphia conference, said last night 2,923 new members had committed themselves in the first two days of the week-long campaign. He was confident that the 10,000 new member goal would be reached by December 4, he added.

Chiang Kai-Shek Heads Nationalist China's Fights Against Communism

NEW CAPITAL IS CHENGDU; LEADERS MEET

Chengdu, China, Dec. 1 (AP)—Chiang Kai-shek was back today in command of Nationalist China's fight against the Communists. He took over shortly after arriving in this new refugee capital from fallen Chungking.

The confused, travel-weary Nationalist government still was trying to set up shop in its fourth capital this year when the Generalissimo announced he was resuming direction of operations against the Reds.

Chiang made the move, his office said in statement, as head of the Nationalist Emergency Council. The statement said he had no intention—at the moment—of resuming the presidency he gave up last January. But high sources predicted he would do that, too, before long.

Leaders in Conference

One of the Generalissimo's first moves was to call in other Nationalist leaders to discuss measures for checking the Red tide flooding into southwestern China.

The Communists took Chungking yesterday. The takeover apparently was swift. The signal that the Reds had completely occupied the city of 1,000,000 persons came at 6:30 last night. This was a formal announcement by the Telecommunications Bureau that service to Chungking was suspended.

Hong Kong newspapers gave the picture of Chungking's transfer to Communist rule. It was the classic pattern of many a Nationalist city, including the former capitals of Nanking and Canton.

(The Nationalists pulled out. A local committee was set up. It met the Reds when all was clear and welcomed them to the city.)

Fear Chengdu Fall

(In Chungking's case, the pro-communist Hong Kong press said, the committee was made up of four businessmen, including the director of the Chamber of Commerce and the managing director of the Szechuan Silk Manufacturing Co. It preserved peace and order until the Reds were ready to enter. Then it greeted them at the banks of the Yangtze.)

Already people were wondering how long Chengdu would last as the seat of government. One month was an optimistic estimate. In that time, many said, the Reds would have covered the 170 miles that separates Chengdu from Chungking.

Washington, Dec. 1 (AP)—Lower food prices brought the cost of living down in October to what it had been in July, the lowest point in 1949. The Bureau of Labor Statistics reported Monday that its consumer's price index—the generally-accepted living cost measurement—declined six-tenths of one per cent between September 15 and October 15.

12 Made Homeless By Conflagration

Mt. Joy, Pa., Dec. 1 (AP)—Twelve persons are homeless today as a result of a blaze that badly damaged a two-family dwelling.

Firemen from this Lancaster county community said the blaze

apparently started on the second floor in a chimney.

One half of the house was occupied by Mr. and Mrs. Calvin Herr and their seven children, ranging in age from two to 17. The other half was the home of Mrs. Lottie McMullen, her son, Eugene, and her father, Abram Bradley.

No one was injured, firemen said.

It preserved peace and order until the Reds were ready to enter. Then it greeted them at the banks of the Yangtze.)

Already people were wondering how long Chengtu would last as the seat of government. One month was an optimistic estimate. In that time, many said, the Reds would have covered the 170 miles that separates Chengtu from Chungking.

Washington, Dec. 1 (P)—Lower food prices brought the cost of living down in October to what it had been in July, the lowest point in 1948. The Bureau of Labor Statistics reported Monday that its consumer's price index—the generally-accepted living cost measurement—declined six-tenths of one per cent between September 15 and October 15.

RAISE IN PHONE
RATES OPPOSED

Erie, Pa., Dec. 1 (P)—The Pennsylvania Telephone Corporation says it must have increased earnings so it can attract new capital needed for expansion.

Phone company witnesses made and repeated this statement in testimony before Maurice H. Claster, an examiner for the Public Utility Commission, in the opening day of a

three-day hearing. Sessions will end tomorrow.

The hearing is being held on the company's petition to raise rates over a range of 75 cents to \$2.50 a month per subscriber. Albert W. Kimber of Washington, D. C., financial consultant for the firm, said this would bring in an additional \$1,239,000 from 83,355 subscribers in nine western Pennsylvania counties.

The rate raised has been suspended by the PUC until April 16, pending an investigation.

The rate increases are opposed by the cities of Erie, Johnstown, Franklin and Corry and the boroughs of Somerset, Berlin, Winber and Myersdale. They declare the present phone service is inadequate and that such service does not justify higher rates.

Sent To Muncy In
"Murder For Pay"

Meadville, Pa., Dec. 1 (P)—Mrs. Theresa Hirschman, 38, today began serving an indeterminate sentence for her part in a murder conspiracy against her 47-year-old farmer husband. Two men were sentenced with her.

The Shenango township farm wife was convicted of conspiring with Clyde Ayers, 34, near Greenville, to have Eddie Hirschman slain. The prosecution said the murder attempt, which misfired, was to collect double indemnity on the man's \$7,000 life insurance and to gain full title to the \$50,000 farm she and her husband owned jointly.

Mrs. Hirschman and Ayers were convicted of conspiracy and assault with intent to murder. They were sentenced on Mon. by Judge Herbert A. Mook; Mrs. Hirschman to the Women's Industrial home at

12 Made Homeless
By Conflagration

Mt. Joy, Pa., Dec. 1 (P)—Twelve persons are homeless today as a result of a blaze that badly damaged a two-family dwelling.

Firemen from this Lancaster county community said the blaze

apparently started on the second floor in a chimney.

One half of the house was occupied by Mr. and Mrs. Calvin Herr and their seven children, ranging in age from two to 17. The other half was the home of Mrs. Lottie McMullen, her son, Eugene, and her father, Abram Bradley.

No one was injured, firemen said.

CAR INSPECTIONS HELP

Harrisburg, Dec. 1 (P)—That

little inspection sticker on the front windshield of your automobile is cutting down Pennsylvania's accident rate says State Revenue Secretary Otto F. Messner. The Commonwealth has a rate of less than four per cent in traffic accidents due to mechanical failure, Messner

said, compared with a National figure of 18 per cent. The law went into effect in 1939.

TIMELY NOTES ON HOUSE PLANTS

Bulbs of paper-white narcissus potted in bowls of water at this time will produce fragrant blooms in early January.

If poinsettias are backward or

flowering time should be hastened, feed them with a complete fertilizer dissolved in water. Once every ten days is sufficient.

Removing faded flowers daily and

thereby preventing seed pod formation greatly prolongs the blooming period of African violets.

Tall, spindly geraniums rarely produce flowers. To have plants in full bloom, pinch back the longer shoots to force the development of low, bushy, compact plants.

The oddly appearing Crown-of-Thorns is a close relative of the poinsettia. If furnished a light, sunny room and a temperature low enough to avoid the perils of dry air, it will seldom cease blooming all winter. Give this plant a sandy pot soil.

Few growers of indoor plants utilize the beauties of the multi-colored coleus as extensively as its merits deserve. Give it a sunny window and watch closely for aphids and mealybugs. Pinch out the tips of taller shoots to form well rounded specimens.

Callas will develop vigorous top growth without direct sun, but to have flowers it demands the benefits of sunshine.

Beloperone needs plenty of light but careful protection from chilling drafts. A major key to maximum success with this plant is to pinch the tips back to force formation of numerous lateral branches. New plants are easy to start from cuttings.

Philodendron does well without sun. In fact, this is by far the most desirable evergreen vine for rooms without sunlight. Some varieties need upright supports, others trail or droop, as from hanging baskets.

The handsome Maranta prefers indirect light to open sunshine. Too, it succeeds most frequently in temperatures from 65 to 68 degrees, but often fails where temperatures climb to 72 or higher.

Indoor gardeners usually fail because they demand a fairly high temperature and moist air—a combination difficult to provide anywhere but in a well equipped greenhouse. Too, acid soil is a recognized requirement.

Colchicum bulbs potted in bulb fiber produce flowers in four to six weeks depending on the state of maturity of the bulb. Lily-of-the-valley also produces indoor blooms in little more than a month after vigorous pips are potted.

SHRUB OF BEAUTIFUL BERRIES

In selecting ornamental plants there is an easy tendency to overlook the period from late summer until early winter and even throughout winter months. It is, in fact, after foliage and flowers have disappeared that the home grounds suffer most from drabness and a general absence of ornamentation.

More emphasis, therefore, should be placed on selecting shrubs, vines, and trees which supply color for these months with fruits and attractive woods. The less widely grown Beautyberry ranks near the top of all lists of worthwhile berry-bearing shrubs.

This plant is listed in nursery catalogues as Callicarpa. The botanical name is derived from two simple Greek words—“kalos” meaning beautiful, and “karpos” meaning fruit. Thus, the common name is a literal translation of the plant's botanical name. And both quite accurately describe this unusually meritorious shrub.

The Callicarpa or Beautyberries are native to semi-tropical regions of southern Asia and Central America. They are widely grown through

the South. But most species and varieties are also hardy enough to grow in this latitude. Even if they freeze back over winter, they will send up numerous new shoots the next summer, which will bear an attractive display of flowers in late summer, followed by a rare profu-

sion of color in hundreds of violet, are easily propagated from green-berries clustered close to the stem wood cuttings in late summer, up and down the entire length of hardwood cuttings in late fall, laying each cane. The full beauty is seen after leaves drop.

Pruning is done in late winter, preferably on a mild day in late February or early March before growth starts. In as much as the chief beauty of this shrub is found in its quantity of flowers and fruits, rather than the size of individual bloom or berry, pruning may be limited to removal of dead and otherwise defective woods and to shaping.

No reports come to the editor of diseases or insects attacking Beautyberries. This merit, added to

its common and botanical names, Johnson was at the controls of one of Claire Chennault's civil air transport planes being used to evacuate equipment and personnel from the airline's field at Chungking before the king to Chengdu.

Where most other indoor vines fail, it is wise to try the thrifty Pothos. The heart-shaped leaves of some varieties are wholly green others are beautifully variegated.

Among the better of little-known bulbous flowers for indoor culture is the attractive Veltheimia. It is an ideal plant for east and west windows and needs no period of dark storage to develop roots. The spikes of bloom remain six to seven weeks.

McGraw's are backward or if flowering time should be hastened, feed them with a complete fertilizer dissolved in water. Once every ten days is sufficient.

Emmitsburg LADIES' GUESTS OF LIONS CLUB TUESDAY NIGHT

The Lions club of Emmitsburg held its annual Charter and Ladies' night on Tuesday at 6:30 p.m. in the Lutheran parish house.

A turkey dinner and all the trimmings was enjoyed by approximately 60 Lions and their guests.

Following the dinner greetings were brought by the president, Robert Daugherty. District Governor Massey Roe, of Hagerstown was introduced and brought brief greetings from Lions International President Daugherty then introduced the toastmaster, Dr. John J. Dillon, a member of the club and professor at Mount Saint Mary's college. After a few remarks, Dr. Dillon introduced Miss Betty Jane Gorman, a student at Saint Joseph's college, who sang several numbers accompanied by Miss Lois Hausenauer, also a student at Saint Joseph's. This was followed by a piano solo by Miss Susan Batterman of Saint Joseph's.

Rev. Kline Speaks

The speaker for the evening was Rev. Robert Kline, of Mount Saint Mary's. He congratulated the club on its "fine work and neighborly spirit."

Following the address, several vocal selections were given by Miss Jean Regan of Saint Joseph's college. The Lions quartet composed of C. G. Frailey, Clarence Hahn, Ralph McDonnell and Lumen Norris, sang two selections accompanied by Prof. William Sterbinsky. Several piano selections by Joseph Macalucca of Mount Saint Mary's college closed the program.

The remainder of the evening was spent in dancing, music being furnished by the Mount Saint Mary's college orchestra.

Personal Mention

Mrs. Sanders and son James, and Mrs. James Bierley and son, Jacob, visited friends in Martinsburg, W. Va., on Sunday. They spent some time with Mr. and Mrs. Page Webber and family and later visited Mrs. Bierley's son, Bernard, who is a patient at the Veterans' hospital in Martinsburg. On the way home they visited Mrs. Sanders' sister, Mrs. Hazel Null, and daughter, Lovetta, and Leon Urright of Solivar, W. Va.

William Hayes and family, of Walkham, Mass., spent the Thanksgiving vacation with his mother, Mrs. Minnie Hayes, West Main street.

Prof. and Mrs. Charles B. Shaughnessy, of Mount Saint Mary's, have returned home after spending the holidays in Chestertown, Md.

Mrs. Michael Bobanic and son have returned to near Pittsburgh after spending a week at the home of her parents, Mr. and Mrs. Eu-

WILL TAKE TIME TO TEST SCHOOL BUS SAFETY LAW

Harrisburg, Dec. 1 (AP)—It's going to take long time before the safety aspects of Pennsylvania's new school bus law are fully felt.

That's the opinion of Raymond W. Robinson, state chief of school consolidation and transportation.

"It's not something at which you snap your fingers and make it become thoroughly effective," he said.

Educating the motorists to the new September 1 law is the biggest problem, he told a reporter. Another factor, Robinson added, is securing full compliance by the more than 2,500 school districts in the state.

The law requires motorists to come to a complete stop 10 or more feet away from a school bus which is loading or unloading passengers. "You can't expect full compliance from motorists until all of the provisions of the law go into effect," said Robinson.

He pointed out that a requirement that all 4,500 school buses in the state be equipped with large flashing stop signals in front and back does not become effective until the next school bus inspection period in September 1 to one each for the years 1947 and 1948.

Slow On Signs

A deadline on the physical examination of all school bus drivers is not due until next July 1.

School districts themselves are taking their time on the required erection of signs designating the estimated 50,000 loading or unloading zones in Pennsylvania.

The state Highways Department's record, even without a school bus law, has "always reported only about 12,500 such signs have been put up in the three months since the law took effect."

As an example, he said New York's school bus law went into effect beginning in 1947 and experience showed an increase in fatalities compared to pre-1947.

But T. Elmer Transeau, state highway safety director, looked with not too much optimism on whether the law will turn out to be a good thing.

"Nobody has even shown me that we needed a school bus law," he said. **Transeau In Doubt**

Even without such a law, he said, motorists generally slowed down when approaching a school bus.

NEW IUE POLICY AIMED AT COURT

Philadelphia, Dec. 1 (AP)—The CIO's new Electrical Workers union today digested a policy declaration aimed at court actions which the union said "harassed" its membership drive.

Some 400 delegates to the week-long convention, which winds up today, unanimously backed the declaration, first presented yesterday as a special statement by James B. Carey, acting leader of the union.

Asserting he meant no offense to "decent" judges, Carey urged federal and state courts to assess more carefully issues involved in suits brought against his union.

These actions, filed against the International Electrical, Radio and Machine Workers (IUE) by the CIO-ousted United Electrical, Radio and Machine Workers (UE), seek to

tie up union funds and in other ways to prevent a switch of allegiance by various locals.

The IUE was formed after the UE had been ousted by the CIO's national convention at Cleveland early last month on the grounds the union was Communist-dominated.

"It is our firm intention," Carey declared, "to maintain the integrity of the courts. We would like to have support from the courts in the process, but we intend to maintain their integrity even without the support of certain judges."

He pointed out that a requirement that all 4,500 school buses in the state be equipped with large flashing stop signals in front and back does not become effective until the next school bus inspection period in August, 1950.

Slow On Signs

A deadline on the physical examination of all school bus drivers is not due until next July 1.

School districts themselves are taking their time on the required erection of signs designating the estimated 50,000 loading or unloading zones in Pennsylvania.

The state Highways Department reported only about 12,500 such signs have been put up in the three months since the law took effect. The department, charged with cooperating with school districts in designating the locations, said it has approved about 25,000 of them.

But T. Elmer Transeau, state highway safety director, looked with not too much optimism on whether the law will turn out to be a good thing. "Nobody has even shown me that we needed a school bus law," he said.

Transeau In Doubt

Even without such a law, he said, motorists generally slowed down when approaching a school bus.

"Nobody but a darn fool would pass a school bus at a fast speed anyway," Transeau commented.

He compared school bus accident figures of one death so far since September 1 to one each for the years 1947 and 1948.

Last month, a child was killed in Carbon county when the driver of one school bus passed another school bus which was unloading passengers and struck the child. The 1947 and 1948 fatalities—in Mercer and Crawford counties—were not due to driver negligence, said Transeau.

Pennsylvania's record, even without a school bus law, has "always been pretty good" in comparison with the host of states enforcing school bus laws, he added. As an example, he said New York's school bus law went into effect beginning in 1947 and experience showed an increase in fatalities compared to preceding years.

REAL "INCOME" DEPENDS UPON DOLLAR'S WORTH

By JAMES MARLOW

Washington, Dec. 1 (AP) — When you talk of income, it always comes down to a question like this: What's a dollar worth? How much will it buy? So, even though I'm making more than last year, am I really better off?

A few days ago the government — through the federal reserve board — issued a report on income. It said that in 1939 personal income — since it was personal income it did not include the profits of corporations — was \$73 billion.

But in September, 1949, personal income was \$211 billion, or almost three times greater than in 1939. Did that mean that Americans — on the average — in 1949 were making three times what they made in 1939? No.

Figures Not What They Seem
The \$211 billion personal income for 1949 was a total figure. No average was involved.

To begin with, things in 1949 were different from 1939. In 1939, with 45 million employed, there were about 9 million unemployed. In 1949 about 60 million people were employed, with unemployment running around 1½ million.

So the increase in the number of people employed alone would be bound to increase the total figure on personal income, plus the fact, and it's a very important one, that wages and salaries have climbed.

But, since personal income was \$211 billion in 1949 and only 73 billion in 1939, were Americans generally three times better off now than in 1939? No.

Bigger Slice For Taxes
For one thing, higher taxes have taken a big bite out of the higher incomes of Americans. In addition, the increase in living costs has chewed up the value of the income. Living costs in 1949 were 67 per

P.A. LABOR PLANS CAMPAIGN WORK

Harrisburg, Dec. 1 (AP) — The Pennsylvania federation of labor laid plans today to take an active hand in the 1950 political campaign. The federation's 700,000 AFL mem-

not such detailed ones on other people.

Take the average pay of a worker in the manufacturing industry. In 1939 it was \$23.85. In 1949, it was \$25.12, or \$3.86 more.

Was he thus \$3.86 better off, with that much more money to spend than he had in 1939? No. The higher 1949 taxes and living costs reduced the total and the value of his 1949 income. For example, take that same average pay of the worker in the manufacturing industry.

In 1939 his pay was \$23.85. After deducting taxes — this was for a man with no dependents — he had \$22.58.

In 1949 his pay was \$35.72. After deducting the higher 1949 taxes and allowing for the higher living costs, his pay was worth \$28.57. In terms of 1939 dollars and buying power. To put it another way: In 1949 he had \$4.59 more a week than he had in 1939.

cent higher than in 1939.

Higher taxes and increased living costs cut into the income of every body who has an income. The most convenient example is that of the factory worker, since the govern-

ment in the state will be asked to vote against congressional and legislative candidates on the basis of their labor voting records. The campaign for pro-labor votes was announced by James L. McDowell, chairman of the federation's league for political education.

The issues are clear and the people are aware of them, he said. "The 1949 election indicated that the citizens of the Commonwealth are not going to stand by and allow the candidates to be elected by default."

He forecast that the 1950 campaign will be "hurled fought" than any in the history of Pennsylvania politics. A U.S. Senator, Governor, Lieutenant Governor, Secretary of Internal Affairs, 33 Congressmen, half of the 53-member state Senate and 298 members of the State House will be chosen.

The AFL head said the federation will discuss endorsements for state-wide candidates at its 1950 convention in Philadelphia next May. In 1946, the AFL backed Gov. James H. Duff and U.S. Senator Edward Martin. Both were later elected as Republican candidates.

PA. LABOR PLANS CAMPAIGN WORK

Harrisburg, Dec. 1 (P)—The Pennsylvania federation of labor laid plans today to take an active hand in the 1950 political campaign. The federation's 700,000 AFL mem-

bers in the state will be asked to vote against congressional and legislative candidates on the basis of their labor voting records. The campaign for pro-labor votes was announced by James L. McDevitt, chairman of the federation's league for political education.

"The issues are clear and the people are aware of them," he said. "The 1949 election indicated that the citizens of the Commonwealth are not going to stand by and allow the candidates to be elected by default."

He forecast that the 1950 campaign will be "harder fought" than any in the history of Pennsylvania politics. A U.S. Senator, Governor, Lieutenant Governor, Secretary of

Internal Affairs, 33 Congressmen, half of the 50-member state Senate and 208 members of the State House will be chosen.

The AFL head said the federation will discuss endorsements for statewide candidates at its 1950 convention in Philadelphia next May. In 1946, the AFL backed Gov. James H. Duff and U.S. Senator Edward Martin. Both were later elected as Republican candidates.

Take the average pay of a worker in the manufacturing industry. In 1939 it was \$23.86. In 1949, it was \$35.72, or \$31.86 more.

Was he thus \$31.86 better off, with that much more money to spend than he had in 1939? No. The higher 1949 taxes and living costs reduced the total and the value of his 1949 income. For example: Take that same average pay of the worker in the manufacturing industry.

In 1939 his pay was \$23.86. After deducting taxes—this was for a man with no dependents—he had \$22.58.

In 1949 his pay was \$35.72. After deducting the higher 1949 taxes and allowing for the higher living costs, his pay was worth \$28.57 in terms of 1939 dollars and buying power. To put it another way: In 1949 he had \$4.99 more a week than he

had in 1939.

To begin with, things in 1949 were different from 1939. In 1939, with 45% million employed, there were about 9% million unemployed. In 1949 about 60 million people were employed, with unemployment running around 1% million.

So the increase in the number of people employed alone would be bound to increase the total figure on personal income, plus the fact, and it's a very important one, that wages and salaries have climbed.

But, since personal income was \$211 billion in 1949 and only 72 billion in 1939, were Americans generally three times better off now than in 1939? No.

NEW TAX 'BOGEY' LOOMS LARGER IN BONUS PLANS

By EDWARD A. UNGER

Harrisburg, Dec. 1 (UP)—The big bogeyman of new state taxes to pay for Pennsylvania's \$432,000,000 veterans' bonus loomed larger than ever today.

The reason: State fiscal experts have virtually decided on a 15-year financing plan to pay off a bond issue of up to \$500,000,000 authorized for the bonus by voters last month.

Liquidation of the bond issue in 10 years would require an outlay of \$35,000,000 to \$45,000,000 a year to meet principal and interest payments, said one of the experts, who declined quotation by name.

Last Bonus Not Yet Paid

Such an outlay would underscore Gov. James H. Duff's statement that new taxes would be needed to pay off the bonus. He has indicated there isn't room in Pennsylvania's billion dollar biennial budget to squeeze in bonus payments without new tax revenue.

The overall cost of the bonus would be much higher—possibly as much as \$90,000,000 more—if a 30-year financing plan were adopted, said the expert.

A \$50,000,000 bonus for World War I veterans was financed on a 20 to 25-year basis. Authorized in 1933, the bond issue for that bonus is being paid off at the rate of about \$5,600,000 every two years. The last bonds don't expire until 1958.

Checks By April

World War I veterans received up to \$200 for their service. There were only 325,000 of them compared to the more than 1,200,000 veterans of World War II who are eligible for up to \$500 each.

A final decision on the current bonus financing plan is expected to

be made before printing of the bonds is completed about mid-March. They will be put up for sale as soon as they are printed.

The bond printing delay fits in with a holdup on the printing of bonus applications. The applications, first anticipated to be ready early in December, are now expected to be on hand by the end of January.

Actual mailing of checks probably won't take place until late in March or some time in April.

GOVERNMENT IS OFFERING BOOK ON INCOME TAX

By JAMES MARLOW

Washington, Dec. 1 (AP)—For 25 cents you can get a lot of information on making out your 1949 income tax.

You don't have to figure the tax on your 1949 income, or pay it, till 1950. But if you want a lot of detailed information there's a government booklet you can buy. It's called "Your Federal Income Tax."

It runs to 138 pages, is put out by the Internal Revenue Bureau which collects your tax, and is intended to answer a lot of questions.

You can buy it by sending 25 cents to the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C.

Tried Last year

Last year the government put out a similar booklet and sold 265,000 copies.

When the income tax deadline—March 15, 1950—draws near, this writer and other newsmen will write series of stories explaining who does what about his income tax.

But none of these stories can go into the details, and cover as many different problems, as are treated in this booklet. So it's a good quarter's investment for a great many people.

The government will mail—to everyone who filed a return in 1949—an income tax form for filing their return in 1950.

It will send out two kinds of forms: An easy one, called 1040A, and one that requires a little more work, called 1040.

With the latter the government will enclose a 16-page booklet explaining some of the details of income tax filing. Still, this booklet, helpful as it is, does not cover as much ground as the 138-page booklet explained above.

As an example of some of the fields treated in the larger booklet:

It shows the step-by-step way of filling out a return; it covers things like contribution deductions, medical and dental expenses, traveling ex-

penses deductions, alimony and automobile deductions, payment and refund of taxes, and so on.

In his preface, the commissioner of internal revenue, George J. Schoeneman, says: "The average taxpayer can hardly expect that the reading of this booklet will make him a qualified tax expert, but it is believed that a careful perusal will result in a better understanding of the tax laws, and will, in most cases, provide the information desired."

Don't Let Anybody Fool You!

These Things Will Happen If The Anti-Trust Lawyers Have Their Way

When the anti-trust lawyers from Washington filed their suit against A&P, we told the American people, our customers, our suppliers and our employees how this attack would affect them.

We said that this attack, if successful, would mean the end of A&P as you know it.

We said that it would mean higher food prices for American consumers.

We said that if they succeed in destroying A&P the way would be cleared for the destruction of other efficient large-scale retailers.

We thought the American people were entitled to know about this threat to their welfare and standard of living.

Since that time, however, the anti-trust lawyers have been making speeches, talking over the radio, writing letters and giving stories to the newspapers, in which they say we are all wrong.

They say that this suit will not close a single A&P store; and that instead of raising food prices it will lower them.

And they have tried to give the impression that nobody will be hurt by this decision except the present owners of A&P.

We don't think that the American people want to be confused by these statements. We know that when they have the facts, they will understand that this case can affect the living standards and the way of life of every American citizen.

Here are the facts:

It Will Destroy A&P

The anti-trust lawyers have repeatedly stated that "the suit will not result in the closing of a single A&P store", and that "the purpose of the suit is to enjoin A&P from continuing activity which has been held to violate the law."

The fact is that the suit is designed not only to "enjoin" A&P from alleged illegal activities, but actually to destroy the company.

Here is what they have asked the court to do:

Break up A&P's retail stores into seven groups, each of which must be sold to different owners, and operated under new management.

Order us to sell A&P's factories, which produce many of the fine foods you find in our stores, to still other new owners.

Prevent any of the seven groups of stores from operating any of the factories.

None of the present owners, who have made A&P what it is today, can have anything to do with either the stores or the factories.

The first A&P store was opened 90 years ago. For the past 50 years the

company has been managed by George L. Hartford and John A. Hartford. These are the men who have pioneered the policy of low-cost, low-profit, low-price food retailing which has won A&P the patronage of millions of American families and given them more good food for their money.

If the anti-trust lawyers have their way, these men and other company executives will be completely out of the picture. No one can predict what the policies of the new owners of the various parts of A&P will be.

No one can predict that they will sell the same quality food at the same low prices, or that they will keep the same employees, or give them the same high wages, short hours, pensions and security.

Nor, despite the anti-trust lawyers' statement, can anyone tell how many A&P stores will remain open or will be closed.

So, while there may be a food store where your A&P is now located, it won't be your A&P store.

Make no mistake about it. If the anti-trust lawyers win their suit it will mean the end of A&P as you know it.

Your Food Will Cost More

But, the anti-trust lawyers have asked the court to order us to get rid of our manufacturing facilities, which would put an end to all these savings.

This means that if these A&P brands continued to be manufactured, you would have to pay higher prices for them wherever you found them.

The anti-trust lawyers say that food prices would go down in other stores. They claim that food manufacturers would be able to sell cheaper to other grocers because they would not have to make up *alleged losses* they now incur in selling to A&P.

This, of course, is pure nonsense. The suppliers who voluntarily seek our business and are now rushing to our defense obviously find it profitable to deal with A&P. Actually, their sales to this company enable them to build up their volume, reduce their costs, and sell more cheaply to all grocers.

The elimination of A&P from the picture would tend to increase, rather than decrease, the wholesale cost of food; and this, in turn, will be reflected in increases in retail prices.

Make no mistake about it. If the anti-trust lawyers succeed in putting A&P out of business you will find your food bill is higher.

Others Will Be Hurt

If A&P is destroyed, no businessman could safely pursue an aggressive sales policy designed to lower prices and give his customers a better deal if by so doing he takes business away from any competitor.

Even if the anti-trust lawyers have no intention now of prosecuting other suits, a decision against A&P will establish a precedent that could be used by the present anti-trust lawyers, or any future anti-trust lawyers, to destroy any efficient business that buys cheaply, sells cheaply, and grows big in the process.

Such a decision would mean the end of the vigorous, healthy price competition which has given this country the highest standard of living ever enjoyed by any people anywhere in the history of the world.

The anti-trust lawyers are trying to give a new interpretation to the anti-trust laws that, instead of preserving competition, will reduce competition.

They are trying, by court decision, to impose a new kind of economic policy on the people of this country.

Make no mistake about it. If they succeed in destroying A&P they will be destroying the method of distribution that has helped make the American standard of living the envy of the world.
